SECOND RENEWED PETITION UNDER 37 C.F.R. § 1.137(b)

This is a Second Renewed Petition to revive the above-identified application. Petitioner respectfully requests reconsideration of its Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 C.F.R. § 1.137(b), which was filed on May 27, 2003. The Decision denying that petition had a mailing date of June 30, 2003.

As set forth in the Decision, the petition did not satisfy the requirement of being accompanied by the required reply to the outstanding Office Action.

In further support of the Petition, Petitioner has taken the following steps to satisfy the requirements for a proper response to the Office Action:

1. Petitioner has prepared and submits herewith a Request for Continued Examination, along with the required fee; and
2. Petitioner has prepared and submits herewith a Preliminary Amendment which is responsive to the Office Action mailed on October 21, 2002.

It is believed that the above described actions of Petitioner are sufficient to support the granting of this Petition. Accordingly, reconsideration and allowance of this Petition is respectfully requested.

It is believed that no further fee is required relating to the filing of this Second Renewed Petition. If this is not the case, the Patent Office is hereby authorized to charge any related fee to Deposit Account No. 03-0172.

Respectfully submitted,
